

Nestlé Nutrition Institute Africa Awards

Dr Siyazi Mda; category Scientific Publication
2010

Dr Siyazi Mda (award winner) with the NNIA's Lindiwe Whati and Anne-Marie De Beer

Limpopo University's Principal Specialist and Senior Lecturer, Dr Siyazi Mda, received his 2010 award for the best scientific publication for a peer reviewed journal from the Nestlé Nutrition Institute Africa (NNIA) on the 4th of March 2011. The award recognises Dr Mda's contribution to medical knowledge in the field of nutrition through scientific publication of his work titled: "Short-term Micronutrient Supplementation Reduces the Duration of Pneumonia and Diarrhoeal Episodes in HIV-infected Children".

Dr Mda presented a brief synopsis of the findings from the double-blind, randomised placebo controlled trial in HIV-infected children (four to 24 months), and its implication on receiving this prestigious award.
