Champions off to African tournament

THE 2011 South African Milo soccer champion team will participate in the African tournament, some of the players reside in the South of Johannesburg.

The African Soccer Champions Tournament took place from April 9 to 14 in Accra, Ghana. The team was selected in 2011 and is made up of various players from selected primary schools. The team will come up against teams from Ghana, Nigeria, Sierra Leone, Liberia and Kenya. They will be meeting their fellow Milo

Champions from the other countries, and enjoy some of the sights and activities in Accra, as they prepare for the ultimate games.

The inaugural MILO African Champions Tournament was launched in 2010 and took place in South Africa. The event amplified the programme's success, by increasing its reach to five African markets in total. During the 2010 event South Africa, Kenya, Ghana, Ivory Coast and Nigeria participated in the tournament.
