

CSV Report 2016 facts and figures

This year, the report demonstrates how we, as Nestlé, enhance quality of life and contribute to a healthier future. We have formulated three new long term ambitions as well as 42 commitments towards 2020. The Report provides specific detail on each commitment and ambition.

Our 2030 Ambitions:

- Help 50 million children lead healthier lives
- Help improve 30 million livelihoods in communities directly connected to our business activities
- Strive for zero environmental impact in our operations

Highlights of our achievements over the last 10 years:

- Delivered 207 billion servings of fortified products
- Training and supporting 4 million farmers
- Giving 513,000 people access to clean water and sanitation
- Helping 2 million women develop skills

The 2016 Nestlé in society report:

- We ranked number 1 in the Dow Jones Sustainability Index for the FB industry. The DJSI gave Nestlé a remarkable score of 100 in the 'environment and climate change' dimension.
- 8.3 million children were reached by the Healthy Kids Global programme.
- We sourced 140 933 tonnes of cocoa – 34% of our total – through the Nestlé Cocoa Plan in 2016.
- We delivered a total of 2.2 million new cocoa plants and trained 57,000 farmers through Nestlé Cocoa Plan.
- We trained 55,000 farmers on nutrition with the NGO Solidaridad.
- We trained 363 000 farmers through capacity-building programmes.
- We avoided the use of 22 525 tonnes of packaging, which equates to a saving of CHF 43.3 million and 430 893 tonnes of CO₂eq. That's the equivalent of taking almost 100,000 cars off the road every year.
- Nearly 100% (99.8%) of the oils and fats we use contain no trans fats originating from partly hydrogenated oils (PHOs).
- We renovated 8856 products for health and nutrition considerations – a 10% increase on 2015.
